Hi Bill - Welcome back

Personal Matters/Ex. 6

There were just a couple of things on which I wanted to give you an update before you went to the next EPR Leadership meeting.

Upper Animas: Late last week Paula shared with Martin the draft agenda for our upcoming meetings in Silverton on 9/23 and Durango on 9/24. This precipitated a note from Martin to Shaun on Friday suggesting that a briefing might be in order. Shaun agreed, so I will follow-up with Paula/Noah to get on Shaun's calendar. I can fill you in on the details later. There are no major departures from the messages we developed earlier and have shared with Martin in our last briefing with him.

We also have a coordination meeting with BLM on Wednesday, 9/3, at their offices in Lakewood starting at 9:00am.

Thanks,

Steve
